CHOICE SEED POTATOES are always scarce, and poor seed a guarantee of a crop failure before it is planted. We do no expensive advertising for which our customers have to pay. One fair profit added to growing and storing costs makes possible these prices on our high quality seed. Quotations are for Immediate Cash Order and Spring Shipment on board cars here, and subject to our confirmation. Our Seed Potatoes are packed in heavy sacks, giving added protection in handling and in transit. No shipments later than May 20th.
